REGULAR AGENDA ITEMS:

#9. Review and Approve Final FY 22/23 Budget: Ms. Amarant reviewed her staff report which included the changes as requested at the last meeting.

Director Plasse asked what the funding source is for the State of Good Repairs apportionment. Ms. Amarant replied it comes from Senate Bill 1- The Road Repair and Accountability Act of 2017 (SB-1). Director Plasse stated as it comes from SB-1, which is the \$0.03 tax that went into effect on July 1st, this is not a sales tax based on the price of gasoline but rather a tax per/gallon of gasoline. He noted if people begin to reduce their driving it may then reduce the apportionment to be received. Ms. Amarant stated if that does occur she will bring this item back to the board for further review.

Director Oneto commented as expenses have increased greatly, it may become necessary to review the routes again. Ms. Amarant stated AT has been promoting the new expanded Dial-A-Ride (funded through the Low Carbon Transit Operations Program) in the upcountry region, which officially begins providing service on August 1st. She added there has already been a great deal of interest in this new service.

Motion: It was moved by Director Plasse, seconded by Director Bragstad and unanimously carried to approve the FY 22/23 Final Operating Budget.

Ayes:

Atlan, McLean, Bragstad, Forster, Oneto, Plasse

#10. Resolution 22-04- Review and Approve AT's STA Claim for FY 22/23: Ms. Amarant reviewed her staff report.

Director Plasse noted this funding source follows the same procedure as the State of Good Repair funding source just discussed in the previous agenda item and may decrease also.

Motion: It was moved by Director Forster, seconded by Director Oneto and unanimously carried to approve Resolution 22-04.

Ayes:

Atlan, McLean, Bragstad, Forster, Oneto, Plasse

#12. Review and Approval of Final Updated MOU Agreement: Director Plasse asked why this year is the first year the Employee Retirement and Deferred Compensation Plan is incorporated in the MOU when employees have been receiving CalPERS for many years. Ms. Amarant noted the plan has been in the Personnel Policy, which is provided to an employee upon hiring. She added it has only been referenced in the MOU with regard to the CalPERS 457 Supplemental option until recently requested by the board to add the plan to the MOU.

Director Oneto noted there were changes made to the longevity pay, and asked if that went through a committee for review. Ms. Amarant replied yes, it went through the MOU committee for approval. Director Forster stated it was agreed it would help the employees and not affect the budget much. Director Oneto clarified that it changes from hourly to a percent. Ms. Amarant stated it was a \$0.25 increase every five (5) years and now is 3% every five (5) years.

Director Forster asked, with regard to page 6, Section 4 item b, why is the date to open negotiations two (2) years before the contract ends rather then one (1) year before. He noted it is on page 6 and page 12. Ms. Amarant replied it reads that way to note the drivers/driver representative have the option to provide written notice to AT management by March 2nd of each year for any negotiations. Director Plasse commented there should not be a specific date within the contract timeline, rather it should only reference they must provide written notice prior to March 2nd annually.

Director Forster asked, regarding page 12- Article V-Wages, why wage negotiation can be reopened annually. Ms. Amarant noted she thought it referenced additional items such as: vacation time, sick time. holidays, etc. Director Plasse commented this page does specifically reference wages only. Chairman Atlan stated page 12-Article V-Wages date should be May 1, 2025, and on page 6 Section 4: Association Rights is where they have the option to provide written notice of intention to renegotiate items other than wages annually.

Director Forster noted the date should be changed on page 29 to June 30, 2025, and the front page should be changed to July 1, 2022- June 30, 2025.

Directors agreed to approve the MOU at this meeting to make it affective July 1, 2022, but to have the Personnel Committee review the final changes discussed.

Motion: It was moved by Director Forster, seconded by Director Plasse and unanimously carried to approve the agreement contingent of AT General Manager making the changes as discussed and the Personnel Committee reviewing/approving those changes.

Ayes:

#13. Approval of Monthly Claims List: Director Oneto noted there is a revised claims list for approval. He asked, regarding line item 52150-Property Maintenance Services, Dirty Suds Solar Cleaning, how often does this service need to be performed. Ms. Amarant replied once a year for both buildings.

Motion: It was moved by Director Oneto, seconded by Director Bragstad and unanimously carried to approve the revised claims list.

Except as otherwise provided herein, this agreement shall be binding upon the Employer and the Association for the period of **July 1**, **2022** through **June 30**, **2025** but for any period subsequent to **June 30**, **2022** all matters within the scope of representation, as defined by California Government Code Section 3504 or its successor(s), shall be subject to renegotiation by the Employer and Association in accordance with the provisions of this agreement and of California Government Code Sections 3500-3510 or its successor(s).

It shall reflect the mutually agreed upon Amador Transit Core Values of Acknowledgement, Support, Accountability, Shared Responsibility, Communication and Professionalism in its wording and use.

No modification, alteration or revision of this agreement shall be made unless first reduced to writing and signed by the Employer and the Association.

<u>ARTICLE I – RIGHTS OF THE PARTIES</u>

Section 1: Employer Rights

The responsibility to manage the affairs of the Amador Transit System is vested exclusively in the Employer, limited only by the specific terms and conditions of this agreement. That responsibility includes but is not limited to plan, direct and control all operations and services; to determine methods, means and number of personnel by which such operations and services are conducted; to assign and distribute work, to hire, discharge, suspend, promote, demote, reward, discipline or relieve employees due to lack of work or other legitimate reasons; to make and enforce reasonable rules and regulations; and to implement new, revise or discharge, wholly or in part, old methods, procedures, materials equipment, facilities and standards.

Section 2: Employee Rights

- a) Employees of the Employer shall have the right to form, join and participate in the activities of employee organizations of their own choosing. Employees shall also have the right to refuse to join or participate in the activities of employee organizations.
- b) Nothing in this agreement shall prohibit any employee from representing himself/herself individually or from appearing in his/her own behalf in his/her employment relations with the Employer.

Section 3: Recognition

- a) The Employer hereby reaffirms its exclusive recognition of the Association as the representative of all Employer employees for the entire term of this agreement, except those employees' holding management, supervisory and confidential positions.
- b) The Association, in turn, recognizes the person(s) designated by the Employer to represent the Employer in the negotiation of this agreement, and agrees that all negotiations leading to the ratification and implementation of this agreement, along with all amendments and successors thereto, shall be conducted exclusively with the person(s) so designated.
- c) All newly created employment positions, except those, that are management, supervisory or confidential, shall be assigned to the bargaining unit represented by the Association.
- d) A Management position shall include any position held by an employee having responsibilities for formulating Employer policies or administering Employer programs.
- e) A Supervisory position shall be held by an employee having the authority to assign work to and direct the actions of other employees.
- f) A Confidential position shall include any position held by an employee whose unrestricted access to confidential personnel files or whose responsibilities or knowledge in connection with employment relations between the Employer and its employees would make his/her membership in an employee organization incompatible with his/her official duties.

Section 4: Association Rights

- a) The Employer shall allow representatives designated by the Association, which shall not exceed one (1) except by consent of the Employer time off work without loss of pay or benefits during formal negotiations with the Employer for purposes of reaching agreement on wages, hours and other terms and conditions of employment.
- b) Such time off work shall not extend to Association preparation leading to formal negotiations. On or before **March 2**, **2025**, the Association shall notify the Employer in writing of its intention to renegotiate a new agreement with the Employer to take effect after the expiration of the present agreement. The Association's failure to adhere to the above deadline shall cause the Association to waive any right to the retroactive application of the agreement following this agreement. On or before **March 2**, **2025**, the Association shall notify the Employer in writing of the name of the representative designated by the Association to negotiate with the Employer in accordance with Section 4.A above. In the event of the replacement of the representative so designated, the Association shall notify the Employer in writing of the name of the newly designated representative.

c) The Association shall have the following additional rights:

- 1. Access, at times that do not interfere with Employer operation, to areas (except restricted areas) in which Employer employees work.
- 2. Use of Employer buildings at reasonable times for Association matters without charge. The Association shall be responsible for any damage to Employer property caused by such use.
- 3. Any such damage arising from Association use of Amador Transit facilities shall be assessed equally against each member of the association.
- 4. Use of reasonable space on any Employer bulletin boards without charge.
- 5. Use of any Employer interoffice communications system for transmission of information concerning Association matters without charge. Such use shall not extend to the use of the mail or to the making of long-distance telephone calls at Employer expense. Use of copy machine or fax must be approved in advance by the Amador General Manager or by the person authorized by him/her as acting manager in his/her absence.
- 6. Review, at reasonable times, any public material in the possession of the Employer.
