ADA Plan

The Americans with Disabilities Act (ADA) was signed into law on July 26, 1990. The ADA is civil rights legislation which requires that persons with disabilities receive transportation services equal to those available on the fixed route service.

Amador Transit is committed to providing equal opportunity for persons with disabilities. This commitment includes complying with the Americans with Disabilities Act of 1990 (ADA) and the Rehabilitation Act of 1993 including Section 37.173 of DOT's ADA regulations requiring transit operators to train their personnel to properly assist and treat individuals with disabilities with sensitivity and to operate vehicles and equipment safely. This includes training personnel to use the accessibility equipment and to accommodate the different types of common wheelchairs.

Policy

It is the policy of Amador Transit to provide quality transportation service within our area of operation. This service will be provided without discrimination against any person including any person with a disability. Discrimination on the basis of disability against any person by Amador Transit employees will not be condoned and will not be tolerated.

It is the policy of Amador Transit that, when viewed in their entirety, services, programs, facilities, and communications provided by Amador Transit, directly or by a contracted service provider, are readily accessible and usable to individuals with disabilities to the maximum extent possible. 49. CFR 37.105

Travel Training: Amador Transit offers free travel training for anyone who may feel unsure about riding the bus. The training is customized to meet each person's needs such as reading the schedule, making transfers, boarding the bus, etc.

Consequences of Non-Compliance

All complaints of discrimination on the basis of disability will be promptly and objectively investigated.

Corrective or disciplinary action will be instituted for behavior prohibited by this policy.

Dial-A-Ride Hours: Amador Transit Dial-A-Ride operates the same hours as the fixed route system: Monday-Friday: 5:30 am to 6:30 pm. Trips must be scheduled by 4:30pm the day prior to the trip to be guaranteed. Same day or late requests will be granted if the schedule permits.
