What is Dial-a-Ride Paratransit Service?

Dial-a-Ride is Amador Transit's shared-ride, curb-to-curb transportation service for individuals who are unable to ride our regular fixed-route bus service, either all or some of the time, due to a disabling condition.

Some examples of disabling conditions include:

- Physical/visual/hearing limitations in getting to or from a bus stop safely.
- Cognitive deficits or memory challenges.
- Strength, balance, or breathing issues.

Individuals interested in utilizing our Dial-a-Ride Paratransit Service must be registered and certified eligible by Amador Transit staff.

Applying for Dial-a-Ride

Complete the Dial-a-Ride application and have a healthcare professional complete their section of the application. If you need assistance completing the application, or with getting the healthcare professional section completed, call 267-9395 and we can take the application over the phone. While a person's age, the distance to bus stops, weather, and environmental barriers, does not alone establish eligibility, they are considerations when reviewing an application for service. The more complete and accurate information you provide, the better our staff will understand your abilities and travel challenges.

Dial-a-Ride Service *(see map inside)*

Dial-a-Ride has recently expanded to include areas of Pioneer, Pine Grove, Lone and Plymouth

More About Amador Transit's Dial-a-Ride Service

About Dial-a-Ride

- Trips can be scheduled for any purpose—shopping, appointments, eating out, etc. You decide when and where you want to go.
- Dial-a-Ride is a “shared-ride” service. You may be riding with others and will not always travel the most direct route to your destination.
- You may have to wait a short time for your ride. Riders will be given a 30-minute pick-up window for when the bus will arrive.
- Trips should be scheduled at least 24 hours in advance (by 4:30pm), though we will attempt to accommodate same day requests. Riders may schedule trips up to two weeks in advance.
- Scheduled trips must be cancelled at least two hours before scheduled pick-up time if not needed.

Note: Eligible Riders may also use fixed route bus service. This may provide greater independence, cost savings, and flexibility.

All Amador Transit Vehicles are lift equipped.

What Assistance Can I Expect on Dial-a-Ride? Our drivers may assist you in boarding and disembarking from the bus, escort you to and from the main door of your pick-up and drop-off locations, can help carry and stow a few light packages, and push a manual wheelchair.

Passengers who need other types of help should bring along a Personal Care Attendant (PCA). (*Amador Transit does not provide a PCA.*)

Drivers may not:

- cross residential thresholds
- operate, push or lift electric mobility devices
- transfer riders from wheelchairs to vehicle seats
- lift or carry riders
- secure child safety seats or, children into such systems

Companions

Family, children, and friends may accompany the rider at the full fare rate, providing space is available. You Must indicate at time of booking. You can also get pre-approved to take your furry companion!

Personal Care Attendants

A Personal Care Attendant (PCA) is defined as someone required to help the rider meet his/her personal needs during the trip or at their destination.

PCA eligibility is approved through the application process by our staff.

A PCA travels at no charge. You must indicate at the time of application whether you need to travel with a PCA .
