I. Passenger Code of Conduct

Amador Transit is committed to providing a safe, secure, and comfortable transit environment. By establishing the Passenger Code of Conduct it sets forth expectations and guidelines for passengers to follow to ensure the safety and comfort of all passengers and Amador Transit staff. Behavior on transit property is governed by California Penal Code 640 and other statutes.

If a passenger notices offensive or illegal activity by another passenger, the person is highly encouraged to notify Amador Transit.

1. **Fare**

All passengers must show a valid pass or pay a fare upon boarding. Failure to pay the appropriate fare or present a valid pass or willfully present an invalid or counterfeit pass is prohibited.

2. **Animals**

Service animals are permitted to accompany individuals with disabilities who board Amador Transit vehicles. If an operator is unsure the animal performs a service function, the operator may ask the following:

- a. Is the animal required due to a disability?
- b. What service has the animal been trained to provide?

However, if it is readily apparent that the animal is trained to do work or perform tasks for an individual with a disability, such as a dog observed guiding an individual who is blind or has low vision, no further inquiry is permitted. The animal must not interfere with other passengers and must be under constant supervision and control by the owner. Service animals are not permitted on seats or to block the aisleway in vehicles.

If a service animal is out of control and the passenger does not take effective action to control the behavior, the passenger will be asked to remove the animal from the vehicle.

If the misbehavior continues, the animal's boarding privileges may be revoked for an established period.

For safety reasons, it is recommended that service animals do not ride the passenger lift platform on vehicles where lifts are available. Their tails, paws, head, or equipment may catch in the lift mechanism.

2.1. Pets

Animals such as comfort animals, emotional support animals, or pets that do not meet the definition of a service animal are not permitted on Amador Transit vehicles*.

****Exception** (Public Utilities Code 99166): In the event of an Evacuation Order established by the Governor of California or Local Emergency Management Officials, pets may be permitted if space allows, pet is in full control of the passenger, and safety of passengers, operator or others is not jeopardized.*

Pets means a cat or a dog as those terms are defined in section 1799.109 of the Health and Safety Code.

3. Carry-Ons

Passengers must limit their carry-ons to only those items the passenger can safely carry on the vehicle in one boarding without any assistance from another passenger. (Drivers may assist for ADA riders) Passengers must always have control over carry-on items. Carry-ons shall not block aisles or seats.

3.2. Strollers

Passengers are encouraged to fold up strollers, if possible. However, it is not required. Children must not be transported in the stroller while in transport. Strollers must be stored and secured and not block aisles at any time or block seats. Children and carriers must be under personal control at all times. If space is available within the wheelchair station, the stroller may be stowed in the areas as long as the passenger can hold the stroller and secure any belongings without impeding the aisle. Mobility devices at all times have priority in the wheelchair securement area.

3.3. Utility Carts and Walkers

Passengers are encouraged to fold up carts, when possible. Utility carts, walkers, and personal possessions must be stored and secured and cannot block aisles at any time or block seats. Only if available, carts can be stored in the wheelchair

3.4. Bicycles

Bicycles must be stored on the bicycle rack on a first come, first served basis. The bicycles must be able to fit on the bike rack. Bicycles that do not fit the bicycle rack may not be loaded inside the vehicle. Non-folding bicycles may not be brought on board*. Folding bicycles may be brought on board the vehicle provided it is stored away safely and appropriately. Before being brought aboard, it remains under personal control at all times, and stored so as not to block aisles or seats at any time.

Electric bicycles can be transported after approval from Amador Transit. Approval is completed at Amador Transit offices. The electric bike will be weighed and if the bike meets the weight criteria of 55lbs or less, the bike will receive an approval sticker. Gas powered bicycles may not be transported on all Amador Transit vehicles, due to the dangers of flammable liquids.

**Exception – the last vehicle of the day (provided space is available) may allow one to two (1-2) non-folding bicycles on board. Bicycle(s) must be stowed in the mobility device securement area. Passengers traveling in mobility devices have priority. If a passenger in a mobility device needs to board the vehicle after the bicycle(s) have been boarded, the bicycle(s) must vacate the space and disembark the vehicle.*

2.6 Life Support Equipment

Respirators, portable oxygen, or other non-emergency life support equipment in use may be brought on board as long as such items do not violate laws or rules related to transportation of hazardous materials. Equipment must be managed by the passenger or Personal Care Attendant (PCA).

For this reason, Amador Transit recommends that children 11 years of age and under be accompanied by an adult or a responsible youth (at least 12 years old) when riding Amador Transit.

If it is necessary for children to travel alone, the following is strongly suggested:

- Children should carry identification showing their name, address, home phone number, and the name and phone number of a responsible adult to contact if necessary.

II. Suspension of Service

Amador Transit understands passengers rely on our transit services for transportation throughout the community. However, passengers must behave appropriately and respectfully when aboard a transit vehicle and on transit facility property. Amador Transit Staff may issue verbal warnings to any passenger, reminding them of the expected behavior and requesting compliance before an unacceptable behavior is elevated to revoking transportation privileges.

Suspension of privileges to use any Amador Transit facilities or services may be enforced by law enforcement in the event an individual is unwilling or unable to comply with these Amador Transit service policies and Amador Transit Staff requirements. If a suspended passenger is asked to leave any Amador Transit facility or vehicle and refuses or insists on trying to board a vehicle after being refused service, may be subject to citation or arrest and possible prosecution. Suspension will increase in severity with repeated violations and serious misconduct.

Some behaviors may constitute MAJOR INFRACTION and may increase suspension level up to the termination of privileges.

MAJOR INFRACTION behaviors may include, but are not limited to, the following:

- Threats or causing fear of physical assault or verbal abuse.
- Unlawful harassment, including unwelcome verbal or physical behavior having sexual or racial connotations.
- Damaging transit property.
- Violence of any kind.

In extreme cases where the law has been violated, such as assault, vandalism or other criminal acts, a passenger may face legal charges and potential penalties as determined by the local authorities and/or may have their riding privileges terminated permanently by Amador Transit.

1. **Suspension Enforcement**

1.1. Suspension Level 1

Any person who is observed violating and/or refusing to comply with these Amador Transit Service Policies will be provided an opportunity to correct and modify their behavior. Failure to comply after asking for compliance by Amador Transit staff to cooperate may result in immediate denial of service. This type of infraction typically will result in suspension for the remainder of the day.

This will constitute the first violation of Amador Transit policies.

1.2. Suspension Level 2

Any person who is observed a second time, violating and/or refusing to comply with Amador Transit Policies may be subject to suspension of service privileges for a period not to exceed seven (7) calendar days.

1.5. Termination of Transit Services

Any person engaging in criminal or dangerous behavior on transit vehicles or at Amador Transit facilities may have their services permanently terminated without the suspension enforcement process.

Termination of transit services may also be a result based on repetitive disruptive behavior after multiple suspensions.

1.6 Suspension of Animal

In the event the animal accompanying the passenger misbehaves, there is an appropriate process to follow.

The first occurrence will result in the animal being removed immediately from the vehicle and transit privileges suspended for the remainder of the day.

A second occurrence may result in a suspension of up to seven (7) calendar days,

A third occurrence, the Operations Manager, at their discretion, may issue a suspension of service greater than seven (7) calendar days.

Passengers will be notified of the right to appeal against the decision as per the appeal process described in Section 4.

III. Notification of Suspension and Termination

Amador Transit Staff will make every attempt possible to notify a passenger of a suspension or termination of privileges in writing. Given the nature of public transit, and the anonymity of passengers, it can present a challenge in some circumstances when notifying passengers of their status.

IV. Appeal of Suspension and Termination of Services

All persons have a right to appeal against the suspension or termination of their riding privileges. The authority to administer these actions is at the discretion of the Operations Supervisor or designee. The process of appealing is in the following order:

1. Appeal to the General Manager

An appeal of a suspension or termination of privileges must be submitted in writing to the General Manager or their designee within ten (10) days of the date of suspension notification.

Appeals should present information supporting a reconsideration of the decision leading to the action and identify other parties and/or information that would support the individual's case.

Based on the review of the appeal, and any added information submitted, the General Manager may reverse or reduce the original suspension. The Operations Supervisor will respond, if possible, in writing within fourteen (14) days from the date the appeal was received.

2. **Appeal to the Amador Transit Board of Directors**

If a person wishes to appeal against the decision of the General Manager, the appeal must be in writing and submitted to the Board of Directors within ten (10) days of the General Manager decision and will be heard next regularly scheduled meeting. Their decision will be provided to the individual in writing with the reasons for the decision within thirty (30) calendar days of such a hearing. The Board's decision shall be final.
